NOTICE

GENERAL INSTRUCTIONS

- The original of this report form properly filled out and verified should be filed electronically with the Public Service Commission of West Virginia on or before the last day of the third month following the close of the calendar or established fiscal year by each Class C public utility (as defined in the Uniform System of Accounts). One copy of the report should be retained by the respondent in its files.
- The form of annual report is prepared in conformity with Uniform System of Accounts for Public Utilities prescribed by the Public Service Commission of West Virginia, and all accounting words and phrases are to be interpreted in accordance with the said classification.
- 3. Instructions should be carefully observed and each question should be answered fully and accurately whether it has been answered in a previous annual report or not. Where the word "none" truly and completely states the fact, it should be given to any particular inquiry unless it is in a numeric field. Where dates are called for, the month and day should be stated as well as the year. Customary abbreviations may be used in stating dates.
- 4. If any schedule does not apply to the respondent such fact should be shown on the schedule by the words "not applicable."
- All entries should be made in permanent form.
 Entries of a contrary or opposite character (such as decreases reported in a column providing for both increases and decreases) should be enclosed in parentheses.

- 6. Commission authorization (abbreviated Comm. Auth.) used in the report means the authorization of this Commission or any other commission. Where a commission authorization is shown, the identity of the commission should also be given.
- The annual report should, in all particulars be complete in itself. Reference to reports of previous years or to other reports should not be made in lieu of required entries except as specifically authorized.
- 8. Wherever schedules call for comparison of figures of a previous year, the figures reported must be based upon those shown by the annual report of the previous year, or an appropriate explanation stating why the different figures were used.
- Additional statements inserted for the purpose of further explanation of accounts or schedules should be made on Schedules 801A-801B.
- The word "respondent" used in this report means the person, firm, association, corporation or municipal corporation on whose behalf the report is made.
- 11. If the respondent makes a report for a period other than a calendar year, the beginning and the end of the period covered must be clearly stated on the page 1, and throughout the report where the year or period is required to be stated.

STATEMENT OF CASH FLOWS

01/00/1900

The overall design of the form has been categorized in accordance with FASB #95-Statement of Cash Flows using the direct method. For those completing the form without the assistance of an accountant, categorize receipts and disbursements using captions given and the blank lines as necessary to reconcile with cash accounts.

Cash Flows from Operating Activities include the cash effects of items normally appearing on an income statement. Other cash transactions should be reported as investing or financing activities, whichever appears to be the most appropriate for each circumstance.

RECONCILIATION OF REPORTED NET INCOME WITH TAXABLE INCOME

Report hereunder a reconciliation of reported net income
for the year with taxable income used in computing Federal
income tax accruals and show computation of such tax
accruals. The reconciliation should include as far as
practicable the same detail as furnished on Schedule M-1 of
the tax return for the year. The reconciliation shall be
submitted even though there is no taxable income for the
year. Descriptions should clearly indicate the nature of each
reconciling amount.
